High Mileage – if the A and B service are due within 3 months of each other, the A&B Service should be carried out at the same time for convenience. Any other operations should be carried out in line with the age / mileage requirements set out in the scheduled maintenance programme. Additional operations may be required depending on the age / mileage of the vehicle. Pricing is only valid if the operation is required as part of the scheduled maintenance programme. Upgrade to Anti-Allergen Cabin Filter – £30 (if available).
